

Hello,

I'd like to welcome you all to this year's Faith Formation Class. My name is Keith Bereswill and I will be your Catechist for this year. This will be my 7th year as a catechist in our program and every year I look forward to working with you and our young adults in learning about our church, our faith and in building a stronger and meaningful relationship with Jesus.

This year's primary course of study will be "The Story of Our Church". The history of our church will help the students understand how our church and faith came to be what it is today. How many of the prayers, rituals and blessings we perform at mass, special holidays and events in the liturgical calendar came to be. Many are well over 1,000 years old!

I do ask for your patience during this year as we try our best to weave our way around rules and health concerns that may cause changes often at a moments notice. Also, I'm going to try my best to make this virtual learning mixed with a live class work but it's a work in progress! So if you have any questions as we're getting up to speed please feel free to contact me at antigoregedkeith@gmail.com

Thanks for keeping our faith alive by your support of our Religious Education Program and I look forward to working with you and your young adult through the course of the year. God bless and Peace Be With You.

Keith Bereswill
