Textbook Rental Agreement and Terms, 2020-2021

The book(s) being issued to you are the property of the parishes of SS. Mary & Hyacinth, St. John the Evangelist and St. Wenceslaus. Generally these books are stored at the religious education center. Because of the anticipated school year and the possibility of the need for virtual learning, the books are being sent home with your student. We hope you will use them for learning as a springboard for family discussions. The cost of registration for Faith Formation does not cover the full cost of the program. It is our expectation that textbooks are used for multiple years. For that reason, we ask that you sign out your student(s) book(s) and return them at the end of the instructional period.
