

A night sky with a bright starburst in the center, emitting a vertical beam of light. The sky is dark blue with many small white stars. In the foreground, there is a silhouette of a city with lit-up buildings and palm trees on a sandy dune.

# First Week of Advent

One of our most blessed Sacraments is the Sacrament of Reconciliation. Here we can ask for the forgiveness of our sins and regain the grace of God.

But before we do this we must make an honest examination of our conscience.

# Unit 1 Review

If everyone could please do the Unit 1 Review Test at the end of the chapter. If you could just fill the answers on the provided sheets and turn them in.

Anointing

Baptism

Communion

Confirmation

Holy Orders

Marriage

Reconciliation

## Chapter 2

### Holy: Jesus Christ in the Sacraments

# Read and do the activities in Chapter 2

As you go through the activities in this chapter it is important to have the family participate in them. These activities bring the family closer together and bring home the importance of Jesus Christ in our Faith and Our/Your lives. It is also important to recognise that this is the second week of Advent and we all can reflect on the readings of this week. The way that this Chapter ties in his sacrifice which was known to Mary and the promise made. You'll see why the shepherds and wise men were excited for his arrival. We'll see more during the Lenten Season. For now we reflect and prepare for his coming and see why his arrival and ministry was so important.
