

## 2/17/2021 Grade 3/4 Lesson Explanation

Happy Ash Wednesday!! Today is the beginning of Lent. I hope your family was able to go to Mass today and receive ashes to remind us that “We are dust and to dust we shall return”.

Talk with your children about the 3 pillars of Lent and why we start out Lent with ashes.

I have attached a family resource for Lent that you can use to help “jump start” your Lent and make it more meaningful for your family.

In the weeks to come, we will go over more about Lent and continue our work on the 10 Commandments.

Have a great Ash Wednesday. I am praying for you.

In Christ,
