

March 24, 2021 Grades 3 & 4 At Home Lesson

Dear Parents,

This weekend is the start of Holy Week. I have included the readings for Palm Sunday, the Triduum and Easter Sunday for your family with activities, questions and pictures. Help your child realize the pivotal importance of Holy Week and without the death and resurrection of Jesus there is no church, no entering heaven and no forgiveness of sin.

Enjoy the Masses this week, starting with Sunday. Check out the bulletin, the website or our Facebook page for details. See you at Mass and Good Friday.

Happy Holy Week!! May this be the best one yet for your family.

In Christ,

Stephanie
